

Give ME your hand,
 tell me how important I
 am,
 show ME the love in
 YOUR heart.
 let ME be the sun of your
 life,

make ME see how beautiful
 the world can be,
 guide MY steps,
 light MY path,
 fill ME with hope,
 kiss ME when it hurts,
 smile to ME so that I forget,
 take away the marks,

undo the wrong,
 surrender to MY innocence,
 put back the pieces of MY
 childhood,
 remember I need you,
 place ME back in your arms

MIND ME !
