

**Give ME your hand,
tell me how important I am,
show me the love in YOUR
heart.**

**let ME be the sun of your life,
make ME see how beautiful the
world can be,
guide MY steps,
light MY path,
fill ME with hope,
kiss ME when it hurts,
smile to ME so that I forget,
take away the marks,
undo the wrong,
surrender to MY innocence,
put back the pieces of MY
childhood,
remember I need you,
place ME back in your arms.**

MIND ME !
